Andres Rodriguez 4-21
Ozelle Miller 4-28

Resident of the Month

Congratulations!!! Gloria Garza on receiving resident of the month. Gloria was born and raised in Big Spring. She went to school at Big Spring High School until 11th grade when she was married and became a homemaker. She has 2 children, 1 son and 1 daughter. She has six grandchildren and a set of twins from her son on the way. She likes to be play bingo. We are glad she is a part of our family here at Parkview Nursing.

April fool's Day or All Fool's Day is the name given to the custom of playing practical jokes on friends on that day. There are disputes over its origin.

A dog is man's best friend and April is Dog Appreciation Day.

April is National Occupational Therapy Month. Mari Mahurin and Susan Henderson do such an amazing job.

April 10th thru 16th is National Volunteer Week. We are so blessed to have so many selfless people that are willing to come in and share their time and talents. We would like to encourage our family members to volunteer - you can make a difference by volunteering just one hour a month. Contact Laurie if you would be interested in volunteering.

April 24-30 is Administrative and Healthcare Administrative Professionals Week. This week recognizes support staff including secretaries, administrative assistants, office managers and other office staff. We have some awesome administrative staff here at Parkview.

April 25th is hairstylist Appreciation Day. Gracie is wonderful and she gives our residents her personalized service as she makes them look and feel great about themselves. We are so fortunate to have her.

April 29th is also National Arbor Day. Arbor Day was started by J. Sterling Morton in Nebraska in 1872. It is an observance celebrated annually on the last Friday in April that encouraged tree planting and care.

God Bless. Laurie
