November 2017

Laurie's Corner

November 7th is Election Day. Hope you exercise your right to vote!

Cooler weather is here and the leaves are falling. Along with the leaves falling it is time for your clocks to "Fall back" one hour. So, on Saturday, November 4th before you go to bed run your clocks back on hour since daylight saving time ends November 5th.

November 11th is Veterans' Day, the 11th hour of the 11th day of the 11th month. Veterans' Day continues to be observed on November 11th, regardless of the Uniform Holiday Bill, which was signed on June 28, 1968, ensuring three-day weekends for federal employees by celebrating four national holidays on Mondays. The restoration of the observance of Veterans' Day to November 11th not only preserves the historical significance of the date but focuses attention on the important purpose of this day: A celebration to honor America's Veterans for their patriotism, love of country, and willingness to serve and sacrifice for the common good.

The holidays are upon us and Thursday, November 23rd is Thanksgiving. The first Thanksgiving was celebrated in 1621 and I am sure over the years most of your families have developed certain traditions. Sure hope you get to enjoy food, family and friends and hope you have safe holidays.

Our family Thanksgiving dinner will be Tuesday, November 14th at 6:30pm. We will furnish the turkey, ham, dressing, gravy, and cranberry sauce. Families need to bring a side dish or desert.

God Bless,
Laurie

thinking about:

*Heroes are the people
who do what has to be
done, when it needs to be
done, regardless of the
circumstances.*
