November is American Diabetes month. November is also National Caregivers Month and National Hospice Month. We appreciate all their cares and support.

In November we also celebrate Veterans Day it is on November 11<sup>th</sup>. Congress declared it a Federal holiday in honor of all those living and dead, who served with the US armed forces. Thanks to them we continue to enjoy our freedom.

This year we will be having our Thanksgiving meal with families on November 19<sup>th</sup> at 6:30 pm hope to see everyone there.

Don't forget to "fall back" yes, it's that time to turn your clocks back one hour on November 1<sup>th</sup>.

God Bless,

Laurie Martinez
