In the United States, Independence Day celebrates the adoption of the Declaration of Independence on July 4, 1776, declaring independence from the Kingdom of Great Britain. Big Spring is going to celebrate Independence Day on Tuesday, July 3<sup>rd</sup> with "Pops in the Park".

July 3<sup>rd</sup> through August 11<sup>th</sup> is known as the "Dog Days of Summer". Many of the Romans became ill since it was so sultry in Italy this time of year. A superstition arose that July heat and resulting sickness were connected with the rising and setting of Sirius, the Dog Star. This period became known as the "Dog Days of Summer."
